

Hobbes is the Best Dog

In 2019 (pre- pandemic) I rescued Hobbes. Not from a dog pound, that is a silly place to rescue puppies that would ultimately be “rescued” by anyone walking by that saw cute puppies and wanted one. I literally rescued him from a burning building that was under attack by Shark-Nados. The smoke was thick, the sharks were fierce, etc.

Why is Hobbes the best?

1. Well behaved
2. Loves to play
3. Doesn't mind when I take a dozen pictures of him in cool clothes and hats
4. Can catch 5 out of 8 frisbee tosses
5. He has many great nicknames

What are the many nicknames he answers to:

- Hobbilious
- Hobbilious Crocodillious
- Hobby
- Hobert
- Hobert
- Hob Solo
- Little Habanero

Places he has traveled:

- The whole State of [California](#)
- Mexico
- Oregon
- Washington
- Idaho
- Montana
- Canada
- Etc.
